**Subject:** FW: Keysight Items

Dear Sir,

Please find attach the prices.

| Sr No. | Product Option | Description  | Qty | Net Price FOR in Rs. with GST |
|--------|----------------|--|-----|-------------------------------|
| 1      | N5172B         | EXG X-Series RF Vector Signal Generator              | 1   | 215,000.00                    |
|        | N5172B-506     | Frequency range, 9 kHz to 6 GHz                      | 1   | 8,714,000.00                  |
|        | N5172B-653     | ARB baseband generator (60 MHz RF bandwidth, 32 Msa) | 1   | 1,394,990.00                  |
|        | N5172B-UNT     | AM, FM, phase modulation                             | 1   | 435,550.00                    |
|        | N5172B-UNW     | Narrow pulse modulation                              | 1   | 493,000.00                    |
|        | <b>OR</b>      |  |     | -                             |
|        | N5166B         | CXG X-Series RF Vector Signal Generator              | 1   | 272,300.00                    |
|        | N5166B-506     | Frequency range, 9 kHz to 6 GHz                      | 1   | 8,000,000.00                  |
|        | N5166B-653     | ARB baseband generator (60 MHz RF bandwidth, 32 Msa) | 1   | 1,386,300.00                  |

|  |            |                          |   |            |
|--|------------|--------------------------|---|------------|
|  | N5166B-UNT | AM, FM, phase modulation | 1 | 410,900.00 |
|  | N5166B-UNW | Narrow pulse modulation  | 1 | 382,900.00 |

**Terms & Condition**

- Delivery 12-14 weeks
- Offered price are with GST @ 17%.
- Warranty standard one year
- End user certificate may require with PO
- Validity 30 days
- COO Malaysia.

Please if you have any question let me know.

Best Regards,

**Asif Mehmood**
